## JONATHAN CLOVER

DIRECTOR / SALES COACH / AUCTIONEER

0439 688 075

jclover@genesisrealtygroup.com.au

Working within his father's real estate agency since the age of 16, Jonathan has done most roles within a real estate office including pushing a mop and broom around, analyzing marketing and property trends, managing client engagement...

"My dad owns a real estate office in Canada, my grandfather started what became the largest agency on Vancouver Island at the time, my uncle runs one of the largest commercial real estate agencies in British Columbia... it's a genetic disorder in our family" Jonathan remarks.

"A lot of people ask me why I am in real estate?" Jonathan says the answer is simple, "Aside from my faith and family there are 3 things that get me up in the morning. I love meeting and helping people, I value our shared community, and I am passionate about property. This is the perfect industry for me!"

The last decade has seen Jonathan progress from a business consultant within the real estate and business broking industry to the WA /NT State Manager of First National Real Estate, Australia's largest group of independent real estate agents.  He is now the Director and Sales Coach of his very own First National Real Estate Office.

Real estate is no different. It's about making sacrifices and putting it all on the line for the client, and being dedicated to a proven process without cutting corners or letting ego get in the way"

Damian says "I joined First National Genesis because their values (People, Community, Property...in that order) align with my own. I also know how beneficial having the right coaches, trainers and support staff are to becoming the best version of yourself!" Damian also notes that partnering with the company director Jonathan Clover will be great to grow his knowledge of real estate and fine tune his negotiation skills.
